Jiri Hais – President CNRRF

Dear friends of Rock `n` Roll,

We are pleased that we have gained the confidence an authorization by the World Rock and Roll Confederation to welcome you on the World Championship Formations in Acrobatic Rock and Roll and the Final World Cup in Rock and roll and Boogie Woogie in Prague. The Sports Hall Královka is traditional and suitable place for our sport. This year we organize the 8th Championship and the 18th Letenský Cup.

Czech National Rock and Roll Federation and Club Silueta Praha bring you this amazing show which is a combination of team and couple performances. 20 formations with their original choreographies are going to compete for the World Champion title, 115 Rock and Roll couples with attractive acrobatics will participate in the World Cup Final. There will not be missing even the best Boogie Woogie Main Class couples. All the Best dancers from 18 countries will prepare amazing show for us.

With the support of, Capital City of Prague and Prague 7 District, which form the main financial support of this event, we were able to prepare the appropriate background and accompanying program. The Final will be guided by our moderators Tomáš Matuška and Ondra Vodný. The World Championship is held under the auspices of Prague 7 District Mayor Mgr. Jan Čížinský. A record of the competition is broadcasted by Czech Television. There is a live stream available on the competition website [www.letenskypohar.cz](http://www.letenskypohar.cz) during the whole Championship.

Club Silueta Praha belongs to one of the largest sports clubs in the Czech Republic with around 200 members. Our dancers mostly focus on Acrobatic Rock and Roll as well as on Boogie Woogie, historical dance and many others. The goal of the Club is to prepare dancers from children to the best athletes of the Main Class Free Style category.

The biggest successes so far have been the title of the Champions of the European Championship 2005 in the Juveniles category - David Kejklíček and Barbora Šemberová, and the Champions of the World Championship Ladies Formations 2006 and 2015 - formation Magic and Angels. Also our formation Mystique - Girls Formation has become the World Champions several times. The best Couple of Main Class Free Style, Jiří Jakubec and Marie Dvořáková, won 3rd place at the European Championship in 2022, as well as the 3rd place at the World Championship and the 4th place at the World Games 2022 in the USA.

A huge thanks belongs to all partners, World Rock and Roll Confederation, Czech National Rock and Roll Federation and all the parents and friends of Acrobatic Rock and Roll who helped us with a demanding and long-lasting preparation of this competition. We wish a successful start to all dancers and we are looking forward to see their fantastic performances.

In the name of the organizer team
