The lunch will be available for purchase at the venue.
During the seminar, coffee and snacks will be provided during the breaks.

UPD: We start at 9:30 a.m. on Saturday and finish at noon on Sunday with the seminar, followed by the examination from 12 to latest 4 p.m. on Sunday.

The seminar is intended for existing WRRC International Judges who wish to further develop their judging skills or renew an expired license. The seminar is also open to new candidates and judges holding national judging licenses.

New judges are very welcome to participate actively in the Boogie Woogie Judges' Seminar and may also take the examination. It is important that they prepare well in advance by carefully studying the WRRC Guidelines and Rules.

Please note that the seminar will not cover all parts of the Guidelines and Rules in detail. We will focus on selected and relevant topics. Participants who wish to take the examination are therefore expected to have familiarized themselves with the full material beforehand.

National administrators can register judges who are already included in the WRRC Registration System. **Registration for the seminar will be handled exclusively through the WRRC Registration System.** We kindly ask all Member Associations to register their judges by the announced deadline.

The deadline for registration is 10 January 2027.

If you have any questions regarding the seminar, registration, or preparation, please do not hesitate to contact us.

We look forward to seeing you in Erding and to two inspiring days of judging, discussion, and professional development together 😊

Best regards,
Aina Nygård
